LHS Hardware & Plastic Manufacturing co., Ltd

Established in 1997, Living Hardware and Plastic Manufacturing Co., Ltd (Brand: LHS) has achieved a reputation as a reliable and consistent manufacturer of kitchen & dining products. We strive to supply great quality to all around the globe for more than 20 years.

Founded by Tim Lin, LHS started with nylon kitchen utensil. In 2003, in order to improve the production capacity and expand the product line, we invest to build a large and advanced factory, and since then, we started to implement the strategy of high quality and profession. Currently our main products cover pepper mill, grater, gadget, coffee & tea filter, oil & vinegar bottle, spice shaker, and airtight container.

With the focus on exporting high standard products to all over the globe, we have supplied around 2,000 different kinds of products to over 80 countries and more than 1,000 customers. Moreover, we develop more than 100 new products every year, including ODM and OEM products. We always try our best to keep our products competitive in the industry.

LHS Hardware & Plastic Manufacturing Co.,Ltd

---

LHS Hardware & Plastic Manufacturing Co.,Ltd, founded in 1997, is a Sino-US joint venture company. We specialize in developing and manufacturing kinds of kitchenware:

1. SS and Plastic Kitchen Tools: We produce Drum Grater, Presser, Meat Mincer, Salad Spinner, Onion Chopper etc.
2. Airtight Canisters: We have acrylic/PS containers in good airtight function and PP food storage with convenient flap locks.
3. Pepper Mills: Our mills are made of wood, acrylic, stainless steel with ceramic, POM or stainless steel grinders in smooth function.
4. Graters: Applying high-end etching technology, we make pretty sharp etching graters selling around the world.
5. Tea Sets: We make SS tea drainers also by etching. Tiny holes on the drainers, used to filter tea, are etched and controlled in high accuracy.

---

We have our own R&D department developing moulds and products for customers. We have always been trying to help customers realize their ideas to life.

LHS office, with a fascinating show room, is located in Panyu District, Guangzhou. It takes only 15 minutes to go to Pazhou Exhibition Hall and about 20 minutes to Guangzhou downtown.

---

LHS factory, located in Yingde city about 2 hours drive from our office, takes 60,000 square meters large and employs about 800 skilled workers.

---

#### Airtight Canister with Bird Shape Lock:

Unique bird shape lock design presents you a pretty humanized feeling. One hand operation creates much convenience for you during cook. The new construction lock also ensure very good airtight function.

---

#### Tea Sets:

Our tea drainers are made of high quality imported SS304 material in ideal shiny finishing. High-end etching technology is applied to make the holes of the drainer. The extreme tiny holes, which are controlled in high accuracy, helps to filter tea quite efficiently. We can make the drainer in different size and style as you like. Also, these drainers can be etched with fascinating patterns if you want.
